The screenshot shows the Simons Voss mobile app interface. At the top, the status bar displays the time 11:18, signal strength, Wi-Fi, and battery at 82%. The app header features the Simons Voss logo and a menu icon. The main content is organized into three sections: 'System Solution' with three tiles for SYSTEM 3060, SMART INTEGO, and MOBILE KEY; 'Newest' with three document thumbnails including 'AX2Go (Data sheet) 24.07', 'AX2Go (Brochure) 24...', and 'AX Manager Plus (Data s...'; and 'Favorites' with three document thumbnails, one of which has a heart icon. A search icon is overlaid on the middle favorite document. The bottom navigation bar includes icons for Home, Favourites, and Packages. Annotations with arrows point to various elements: a blue arrow from 'System solution Quick selection / all documents' points to the System Solution tiles; a blue arrow from 'Newest documents' points to the Newest section; a blue arrow from 'Personal favourites Selection via heart symbol' points to the heart icon on a favorite document; and a red arrow from 'Search function' points to the search icon on the favorite document.
