

Digital SmartHandle 3062 Snap-In

21.07.21
BS119090335

WARNUNG

- Access through a door may stay blocked due to incorrectly fitted and/or incorrectly programmed components.
- The batteries used may pose a fire or burn hazard if handled incorrectly.
- Dangerous substances - hazard of internal burns.
- Risk of explosion due to incorrect battery type.

AVERTISSEMENT

- Toute erreur de montage et/ou de programmation d'un composant peut bloquer l'accès par une porte.
- Les piles insérées peuvent provoquer un incendie ou des brûlures.
- Les substances dangereuses - Risque de brûlures.
- Risque d'explosion dû à un mauvais type de batterie.

ATTENZIONE

- Con componenti montati ed/ou programmati in modo difettoso, l'accesso attraverso una porta può restare bloccato.
- Le pile inserite possono costituire un pericolo di incendio o combustione in caso di utilizzo scorretto.
- Le sostanze pericolose - Rischio di ustioni.
- Rischiare d'esplosione a causa di un tipo di batteria non corretto.

HINWEIS

- The SmartHandle may only be used for its intended purpose: opening and locking doors. No other use is permitted.
- Use the correct wiring and connection points.
- Do not touch electronics components; do not allow them to come into contact with oil, paint, moisture, alcohol or acids.
- The electronics must not be subject to mechanical stress or damaged in any way.

NOTICE

- SmartHandle may only be used for its intended purpose: opening and locking doors. No other use is permitted.
- Use the correct wiring and connection points.
- Do not touch electronics components; do not allow them to come into contact with oil, paint, moisture, alcohol or acids.
- The electronics must not be subject to mechanical stress or damaged in any way.

WAARSCHUWING

- Door foutief genestelde of verkeerd geprogrammeerde componenten kan de deuring door een deur geblokkeerd blijven.
- Batterijen kunnen brand- of explosiegevaar opleveren.
- Gevaarlijke stoffen - Verbrandingsgevaar.
- Explosiegevaar door verkeerde batterijtype.

AVARSEL

- Hvis komponenter er fejlagtigt monteret og/eller programmeret, kan adgang til dør forblive spærret.
- Batterier kan udgøre en brand- eller forbrændingsfare ved forkert behandling.

NOTA

- The SmartHandle may only be used for its intended purpose: opening and locking doors. No other use is permitted.
- Use the correct wiring and connection points.
- Do not touch electronics components; do not allow them to come into contact with oil, paint, moisture, alcohol or acids.
- The electronics must not be subject to mechanical stress or damaged in any way.

BEMÆRK

- SmartHandle må kun anvendes til det oprindelige formål, at åbne og låse døre.
- For at sikre den fulde funktionalitet skal SmartHandle kombineres med en selvklæbende paniklås (SVP-lås).

REMARQUE

- The SmartHandle must not be used for its intended purpose: opening and locking doors. No other use is permitted.
- Use the correct wiring and connection points.
- Do not touch electronics components; do not allow them to come into contact with oil, paint, moisture, alcohol or acids.
- The electronics must not be subject to mechanical stress or damaged in any way.

REMARQUE

- La SmartHandle ne doit être utilisée qu'aux fins prévues, à savoir l'ouverture de portes.
- Les modifications et nouveaux développements ne peuvent pas être exclus si l'utilisateur ne dispose pas d'un manuel d'instructions original.

NOTA

- The SmartHandle must not be used for its intended purpose: opening and locking doors. No other use is permitted.
- Use the correct wiring and connection points.
- Do not touch electronics components; do not allow them to come into contact with oil, paint, moisture, alcohol or acids.
- The electronics must not be subject to mechanical stress or damaged in any way.

NOTA

- Il dispositive non va smaltito fra i rifiuti domestici, ma conferito presso un centro di raccolta comune per rifiuti elettronici specializzati in conformità con la direttiva europea 2002/96/CE.
- Il dispositive non va smaltito fra i rifiuti domestici, ma conferito presso un centro di raccolta comune per rifiuti elettronici specializzati in conformità con la direttiva europea 2002/96/CE.

ATTENZIONE

- Toute erreur de montage et/ou de programmation d'un composant peut bloquer l'accès par une porte.
- Les piles insérées peuvent provoquer un incendie ou des brûlures.
- Les substances dangereuses - Risque de brûlures.
- Risque d'explosion dû à un mauvais type de batterie.

ATTENZIONE

- Con componenti montati ed/ou programmati in modo difettoso, l'accesso attraverso una porta può restare bloccato.
- Le pile inserite possono costituire un pericolo di incendio o combustione in caso di utilizzo scorretto.
- Le sostanze pericolose - Rischio di ustioni.
- Rischiare d'esplosione a causa di un tipo di batteria non corretto.
