The screenshot shows the Simons Voss mobile app interface. At the top, the status bar displays the time 11:18 and signal strength. The app header features the 'Simons Voss' logo and a hamburger menu icon. The main content is organized into three sections: 'System Solution' with three tiles for 'SYSTEM 3060', 'SMART INTEGO', and 'MOBILE KEY'; 'Newest' with three document thumbnails including 'AX2Go (Data sheet) 24.07', 'AX2Go (Brochure) 24...', and 'AX Manager Plus (Data...'; and 'Favorites' with three document thumbnails, one of which has a heart icon. A search icon is visible on the middle thumbnail in the Favorites section. The bottom navigation bar contains three icons: a house for 'Home', a heart for 'Favourites', and a cube for 'Packages'. Annotations include a red arrow pointing to the search icon labeled 'Search function', and three blue arrows pointing to the 'System Solution', 'Newest documents', and 'Personal favourites Selection via heart symbol' sections.
